DECORATING YOUR DREAMS...

ALUMINIUM PROFILE SHUTTER

The combination of aluminium and glass lends a modern and minimalist look to the kitchen. This aesthetic choice is popular in contemporary kitchen designs. Aluminium is resistant to rust and corrosion, providing durability in a kitchen setting where conditions can be demanding. Aluminium profiles can be customised to fit specific dimensions and design requirements. This allows for a tailored solution that suits your kitchen layout and style. Glass shutters contribute to a sense of openness and airiness in the kitchen. They allow light to pass through, making the space feel brighter and more expansive.

Two type aluminium profiles are available –

- A. DZ 45- 45mm Aluminium Profile
Colours - Black, Rose Gold, Gold Matt, Satin
- B. DZ 3D- 22mm Aluminium Profile
Colours - Black and Gold Colour.
